

GREEN LEAF PLATED 5.16.16

Crop News: Variable temperatures plus intermittent rain continue to cause

Downy Mildew on Spinach, Arugula, Spring Mix and Lettuces. Our Buyers & Quality Control teams are working closely with our grower partners to keep you

supplied with the best of what's out there. Conventionally grown CA Blue Lakes, Eggplant, Zucchini, Yellow Squash and Cheddar, Green & Purple Cauliflower are good.

CA White & Yellow "Diamond" brand Corn is consistently good quality.

T&A Artisan Mix and Sweet Gems are good quality. The Lime market has finally broken

with prices lowering. CA Cantaloupes & Honeydew are good quality and we're sticking with MX Watermelons until CA crops sugars increase. New crop CA Red &

Yellow Onions steady. CA Green Bells great: MX Red & Yellow improving.

High Quality Currently: In Organics, Painted Serpent Cucumbers, toybox and

Costata Romanesco Squash are ready to go. Coke Sack and County Line baby Chioggia Gold

& Red Beets are in. Sausalito Springs Watercress and CA Naval oranges are salad time ready.

Strawberries are here! Choose from Coke "Albion", Dirty Girl "Monterey" and Jacobs Green

(unripe) & Red "Chandler" varieties. Organic Broccoli De Ciccio, Lakeside Leeks, Broccoli,

Cauliflower, Nappa and Red Cabbage, and Capay Nantes Carrots with tops are all excellent.
